# compare supplementary packages

This overview allows you to easily compare the changes to your package for your supplementary Vitaal+ insurance in 2021 with your 2020 supplementary package.

- 1 To do so, look in the left-hand column for the reimbursement you want to compare.
- 2 To the right, the column with your package will show which reimbursements you will receive in 2021.
- 3 If you then click on the link ► [compare with <heading> Uniek 2020](#), you will be able to see what will be or was reimbursed in 2020.
- 4 It's easy to navigate back to the overview for 2021 by clicking on the link with the ► [compare with <heading> Aon Health Care Insurance+ 2021](#).

This makes it simple for you to compare your new package with the old one. We recommend you check carefully whether this new package is in line with your present circumstances and meets your current care needs.
